Re: Completion of grant #13-46837R

Dear Ms. Zvizdic,

Warm greetings from the Global Fund for Women! Thank you very much for the final report you submitted to us in November 28, 2014. Last year we awarded over 650 grants and currently have over 1,200 proposals pending decision, making it difficult to respond to each group that writes to us as quickly as we would prefer. Please accept my regrets for the delay in replying to your final report until now. We appreciate the time you took to prepare such a thoughtful and interesting report. We feel privileged to share your experiences and happy to know about the difference that Zene Zenama is making in the communities where you work. Reports like yours keep us informed of the needs of women's groups worldwide and help us learn how Global Fund can be most helpful to those groups.

Global Fund is honored that we were able to support your efforts. We are glad that Global Fund's support was helpful to you, and we hope you will continue to keep us informed about your group and your community. On behalf of all the staff and the Board of Global Fund for Women, I wish you and Zene Zenama continued success.

Warm regards,

Jane Sloane
Vice President of Programs
